12TH INTERNATIONAL CONGRESS ON OBESITY (ICO 2014)

17-20 March 2014, Kuala Lumpur

In support of the XII International Congress on Obesity (ICO) from 17-20 March 2014, Malaysian Association for the Study of Obesity (MASO) is pleased to offer funding to enable MASO members to attend the ICO 2014.

A special subsidy of RM1000 shall be provided to each successful applicant to attend the ICO 2014. It is to be noted that with this special subsidy, the MASO Council shall not be considering any application for the usual MASO Educational Grant to attend the ICO 2014. Funding is limited and strong competition is expected. This funding is targeted to applicants who are unable to source alternative sponsorship or support. Applicants should carefully consider all the eligibility requirements and information required before applying. It is important to note that this funding support is a discretionary scheme. Information provided in the application form will remain private and confidential.

Eligible members are invited to apply for this special subsidy and **MUST** meet the following criteria:

1. Be Life member or Ordinary members of MASO with no outstanding membership fees;
2. Have participated actively in MASO activities;
3. Have his/her abstract accepted for presentation (either oral or poster – as first or presenting author);
4. Have not have received any MASO educational grant in 2013; and
5. Not be receiving full support from his/her institution, or partial sponsorship from any other organisation or society/association to attend the ICO2014.

Members who meet the above conditions may apply using the MASO Education application form for seminar grants obtainable from:

Disbursement of the subsidy to successful applicants shall be upon submission of abstract acceptance notification from the Organisers to the MASO Honorary Secretary <maso.obesity@gmail.com>.
