Where Science and Treatment Meet

ObesityWeekSM is the premiere annual meeting for scientists, clinicians, surgeons, physicians, integrated health professionals and policymakers from around the world specializing in the field of obesity. TOS and ASMBS will present over 100 sessions, including abstract presentations, symposia, educational and post-graduate courses, video sessions and more. With a comprehensive agenda covering research, surgery, education and policy, ObesityWeek provides the opportunity to explore the issues that matter most to you.
